INCLEMENT
WEATHER POLICY

Closings and Delays: Our policy is to **assess conditions on St. Michael Campus and the local area to determine closings or delays at the preschool.** We understand this may

not always reflect weather conditions in your area or follow the Wake County School closings or delays, so please use your discretion when bringing your child to school.

Parents will be informed of school closings and delays via our all call communication system through the primary phone, text message, and email provided. If this information needs to be updated at this time, please let the preschool office know.

On delayed openings, Early Arrival and Lunch Programs are canceled and children bring a lunch and attend from 11:00-1:00 pm. This later dismissal time may interfere with younger children's nap schedules, so again, please use your best judgment in sending your preschooler on these days.
